about

MARI'S NEW BAGS

She's stylish, daring, and happy-go-lucky, and now she's got her very own line of fabulous new bags. *Mari's New Bags* are insightfully designed and superbly finished to reflect her lifestyle, sense of humour and joie de vivre. And because you and Mari have so much in common, we just know you're going to love them.

The collection offers bags for every occasion – from chic evening clutches to workday totes. Made of Marimekko's world-famous cotton canvas and fine Italian patent leather, *Mari's New Bags* are full of fun and functional details.

Each bag in the collection is individually patterned – a unique feature made possible by Marimekko's state-of-the-art printing technology and decades of experience and know-how. The patterns are based on a tableware-themed Marimekko print which has been given a brand new look and feel to suit the style of *Mari's New Bags*.
